Could it be
SEPSIS?

Learn the Signs:

S ▸ Shivering, fever, very cold

E ▸ Extreme pain or discomfort

P ▸ Pale or discolored skin

S ▸ Sleepy, difficult to rouse, confused

I ▸ I feel like I might die

S ▸ Short of breath

Sepsis is a medical emergency. Dial 911 or go to the nearest emergency room and ask, *"Could it be Sepsis?"*

The Kentucky Hospital Association Sepsis Consortium is working with hospitals statewide to reduce the morbidity and mortality caused by sepsis.
